Panel discussion on Autism as Trauma scheduled Nov. 12

November 8, 2013

Comments 0 | E-mail | Print | Share 36 | Tweet 0 | +1 0

A panel discussion on Autism as Trauma has been scheduled for 2 p.m., Tuesday, Nov. 12.

According to a The Monarch School release, "Monarch Institute for Neurological Differences will host a panel discussion on Autism as Trauma, lessons from trauma models and reasons for hope and resilience. The program will feature youth advocate Larry K. Brendtro, representing of Global Learning Network and Tara Devine, Ph.D., director of therapeutics services for the Challenger and Voyager levels of the Monarch School as well as Bryant Shaw, Ph.D., director of the Monarch Diagnostic Clinic. Neal Sarahan, Ph.D., director of culture of the Monarch Institute will moderate."

The event will be held at The Monarch Institute for Neurological Differences, 2815 Rosefield Drive, Houston.
